## **Motor Pool Process:**

1. Email completed Motor Pool Request form to [getinvolved.finance@wsu.edu](mailto:getinvolved.finance@wsu.edu) - **allow at least 72 hours for processing!**
  - a. **Drivers need to visit** <https://facilities.wsu.edu/motor-pool-rates/> for rates and vehicle types.  
**Select the specific vehicle make and model in the drop-down list on the Motor Pool Request form.**
  - b. *The Finance Team needs the specific vehicle make & model to complete the reservation.*
2. **All drivers** complete a Motor Pool Guidelines & DES Authorization form once per fiscal year and email to [getinvolved.finance@wsu.edu](mailto:getinvolved.finance@wsu.edu).
3. **All drivers** complete driver safety training – training links listed below:
  - a. **Skillsoft Percipio link for employees:**  
<https://hrs.wsu.edu/training/>  
  
Select “Log in To Online Learning” and login with your WSU network ID credentials.  
  
Select the Skillsoft apps button in the upper right-hand corner (square button with nine dots) which reveals a drop-down menu. From that menu, select “Compliance”. The courses are in alphabetical order. Scroll until you see “Driver Safety” training.
  - b. **Canvas link for students:**  
[Canvas.wsu.edu](https://Canvas.wsu.edu)  
  
Training should be located under the “Courses” tab. Student will need to select the “Student Safety Training” course and search for “Driver Safety” in the “Assignment” search field or scroll through the “Assignment list” to find the training.
  - c. This is a one-time training throughout your employment or student status with the University.
  - d. All drivers will need to send a screenshot of the completed training certificate to [getinvolved.finance@wsu.edu](mailto:getinvolved.finance@wsu.edu) **before** the reservation is scheduled for pick up.
  - e. Note: Additional “Coaching the Van Driver” training is needed to drive the commercial motor vehicles – 8 passenger vans and additional requirements apply. Please check in with the Finance Team on this.
    - i. This training is only offered on limited dates in Skillsoft Percipio for employees.  
(This is **NOT** available for students) – please plan ahead!
4. **All student drivers need to fill out a Student Driver Authorization form per reservation.** The groups Advisor/Coordinator/Supervisor will sign these (if Advisor/Coordinator/Supervisor is the driver, then Associate Director/Director/Executive Director will sign). Completed form can be emailed to [getinvolved.finance@wsu.edu](mailto:getinvolved.finance@wsu.edu).
  - a. **Exception:** Groups that drive frequently can have one Student Driver Authorization for the academic year. Check in with the Finance Team on this process.
5. **Reminder:** Driver will take driver’s license, reservation confirmation #, and Student Driver Authorization (if student) to Motor Pool when picking up the vehicle. Motor Pool will visually check driver’s license to confirm the license is valid under Washington State laws.
